In the spirit to enhance our services to all visa applicants allow me to inform you that as of 3 March 2008, the Embassy will apply an online visa application systems for all types of visas to enter Indonesia. The online application will replace the manual visa application which we had before.

The said online visa application can be accessed through the Embassy's website at [www.embassyofindonesia.eu](http://www.embassyofindonesia.eu) from anywhere where the applicants could follow the steps below :

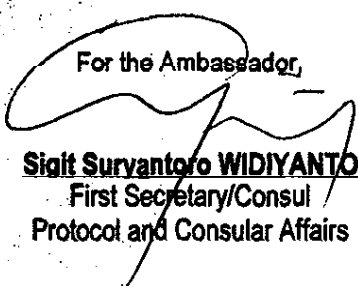

- Visa applicants are requested to fill up online visa application equipped with online guidance. *(Visa applicants are requested to fill up their online application before going to the Indonesian Embassy. However, for short period of transition, 1 (one) online computer is made available in the Embassy)*
- Upon completing the visa application, visa applicants are requested to print out their application(s) and bring them over to the Embassy of the Republic of Indonesia at 294 Avenue de Tervuren, 1150 Woluwe Saint Pierre.
